The Hunt Begins

Your Treasure Hunting Guide

At the Maryland State Agency for Surplus Property (MSASP), we are your one-stop shopping warehouse for almost everything you can think of. We are a self-sustaining agency, a division of the Maryland Department of General Services. We acquire property that's declared surplus by the State or Federal government. We then place it in our warehouse and make it available to you, our guests!

Who Can Join the Hunt?

Anyone can shop at the warehouse, and will fall into one of two groups. First is **the general public**, who can shop one side of the warehouse any time that we are open. Second are **donee institutions**. An eligible donee institution is any public agency which provides a public service such as education, safety, health, or recreation. A donee institution can also be a nonprofit organization that has, as its primary mission, education, health care, or homelessness. Small Business Associations (8a) and Service Educational Activities (scouting, JROTC, Red Cross) fall into this category as well. An institution must apply and be approved by MSASP to become eligible. After, you'll be able to shop our vast warehouse with special access to the Federal side, which is limited solely to donee institutions!

What's There to Find?

You'll find a wonderful array of useful and incredibly inexpensive items here at MSASP. You'll realize that it's worth the trip from just about anywhere! As you arrive at the warehouse, you'll find rows of floor-to-ceiling shelves loaded with computers, monitors, and accessories for prices that are too good to believe. While touring the site, you're sure to find many items such as chairs, lamps, camping accessories, vehicles, exercise equipment, tools, and the occasional "special item" such as a fire truck, ping-pong table, or airplane. But what you *really* need to see is the low prices!

What Else is on the Map?

While visiting MSASP, make sure you stop at our modular furniture division. These services are available to our government customers, and can serve as a very inexpensive way to build new offices or reconstruct old ones.

All customers have the opportunity to take advantage of our wood refinishing and reupholstering services. The furniture you purchase at MSASP can be brought home looking brand new. The quality of workmanship is vastly above that of many other shops, yet the price is not! We'll provide you with an estimate before the work is performed so you can decide for yourself!

There's Treasure Everywhere!

At our site, we believe in giving back not only to you, our customers, but the community. That is why our service work is performed as a job-training opportunity to inmates at the State's pre-release unit in Jessup. The inmates are taught furniture refinishing, automotive repair, and general construction and maintenance, all as a part of the State's program to prepare these individuals for reentry into society.

I Want to Join the Hunt!

Come to our large warehouse in Jessup, Maryland. (See map/directions on back.)

We are open daily (Monday thru Friday) 8am until 4pm and on occasional Saturdays (call for schedule).
